

ABBE Regional Library System Request for Reconsideration of Material

The ABBE Regional Library System fully understands that not all items in the collection may appeal to every member of the community, however the library seeks to collect a wide variety of materials which meet the interests and needs of our diverse community.

If you would like to have a specific item in our collection reconsidered, fill out this Request for Reconsideration form in its entirety. Your request will be considered following guidelines associated with the library's Collection Development Policy.

In order for a patron to submit a Request for Reconsideration form, they must be an ABBE cardholder or a resident of the ABBE service area. Patrons may only have one active Request for Reconsideration open at a time. Once the library has ruled on a title, the title will not be reconsidered by the library for a period of four years. You will be notified of a decision in writing.
