

What is an Outreach Van?

A mobile library on wheels!

Library cards and services are FREE and can be issued by the Outreach Van. All you need to apply for a card is to be a resident of one of the four counties, present a valid ID and show proof of your current address.

Visits to library facilities to provide programs or services help encourage the community use of the library and assist in providing high priority services to the community. The Outreach Van is simply an extension of the library being brought to you.

Patrons may request materials from any library location within our system to be routed to their Outreach Van stop.

ABOUT US

The ABBE Regional Library System Outreach Van provides materials and services to those who, for a variety of reasons (age, socioeconomic, geographic, disability, transportation, etc.), cannot take advantage of the services at one of the branch libraries.

What we do

We can attend neighborhood, corporate and community events to showcase our library resources, demonstrate engaging activities, hold Pop-up Libraries, and offer library card registration.

The Outreach Van stops at several locations all over the four counties. Delivery and pickup of material is offered bi-monthly at scheduled times. New stops will be considered upon evaluation using the library's established criteria.

The Outreach Van may be scheduled to attend community events to promote the library system and other specific library services and/or support community development activities.
